PRESS RELEASE

Dave Cherry has made a new DVD called **CHERRY PICKIN'**

It features some of his songs from the successful Musical Comedy play **THE OLD CLUB TRIP**, which was on recently at the LAMPROOM THEATRE. The play made £7100 for the hospice. Dave has now made £59k for us.

The 4 song DVD features:

- 1 The Old Club Trip*
- 2 Looking at the end of my Rainbow Story*
- 3 The Clock it's brokk*
- 4 Stairfoot Rarndabart*

There are also hilarious extras.

The DVD was filmed by the Barnsley Creative Media and Entertainment Industries Section of the Barnsley College.

We must pay special thanks to **STAGECOACH YORKSHIRE** who sponsored Dave's play and provided an open top bus for the filming of the title song. The DVD cover was designed by Grace Young.

The DVD is now being processed and will be on sale at our hospice shops and other outlets around the town at £5 each.

We expect a big demand for the DVD as STAGECOACH is kindly putting up posters on their bus fleet.

We will be having a launch night on Wednesday August 11 at the Trades Club Racecommon Road at 8 30pm.

The DVD will be shown on a giant screen and entertainment will be provided by the actors from the play.

Steve Riley is the compere and there will also be guest artistes.

All proceeds are for the Barnsley Hospice.
